KELLY STICKEL

Speaker, Innovator, Entrepreneur

Kelly Stickel is an entrepreneur revolutionizing the idea that there's only one way to come to the boardroom. She left a six-figure job to start Remodista, a social think tank examining disruption in global retail and fintech.

Experience the Disruption

Now Kelly is sharing her lessons and perspectives with people through her speaking. For years, organizations have clamored for her speaking prowess, unique perspectives and no-nonsense approach. Now you can have her come and share her perspectives with your audience as well.

"Kelly is a phenomenal speaker with that rare quality of completely engaging her audience from start to finish with her powerful and inspiring message."

Elina Vilks, CMO, PayPal
